**REQUEST FOR CERTIFICATE OF CORRECTION  
PURSUANT TO 35 U.S.C. § 255 AND 37 C.F.R. § 1.323**

Dear Sir:

Transmitted herewith is a Certificate of Correction for U.S. Patent No. 6,889,135 B1 issued on February 14, 2006. Upon reviewing the patent, the patent owner discovered that various typographical errors are present in the specification and the claims. By way of background, the patent is directed to a bone sheet formed of cortical cancellous bone, and the term "cancellous" is used throughout the specification and claims in connection with the bone sheet. (See, e.g., Col. 1, Lines 17 and 40, Col. 4, Lines 10, 22, 49 and 66; Col. 5, Lines 5, 15, 27 and 51; Col. 6, Lines 13 and 43; Col. 9, Lines 63 and 64; Col. 10, Lines 15, 27, and 47.) However, the word "cancerous"

mistakenly appears instead of the word "cancellous" in the specification and claims of the issued patent. The patent owner respectfully submits that the word "cancerous" appears in error, and that the patent does not relate to cancer. More particularly, the patent does not disclose or suggest any technology relating to the diagnosis of cancer, the treatment of cancer, cancerous tissue, or anything else related to cancer. The patent owner therefore respectfully submits that the aforementioned appearances of the word "cancerous" may be characterized as mere typographical errors.

In the foregoing circumstances, the patent owner respectfully requests that both the aforementioned typographical errors and other typographical errors in the subject patent be corrected by the issuance of a Certificate of Correction. More particularly, because the presence of the aforementioned typographical errors in the specification and claims constitute mistakes of a clerical nature, mistakes of a typographical nature and/or mistakes of minor character, and the proposed corrections (i.e., the correction of typographical errors) are not believed to involve changes that would constitute new matter or require reexamination, the patent owner's undersigned attorney respectfully submits that the present Request for a Certificate of Correction complies with 35 U.S.C. § 255 and 37 C.F.R. § 1.323. In such circumstances, the patent owner respectfully requests the issuance of the attached Certificate of Correction.

The patent owner and its undersigned attorney thank the Commissioner for considering this Request. Should anyone in the Certificate of Correction Branch have any questions about this Request, he or she is cordially invited to contact the undersigned attorney at the telephone number indicated below.

The Commissioner is hereby authorized to charge \$100 to Deposit Account No. 501561 to cover the Certificate of Correction fee set forth in 37 CFR §1.20(a). If any additional fees are due in connection with the submittal of this Request, the Commissioner is hereby authorized to charge them to Deposit Account No. 501561.

Respectfully submitted,

GREENBERG TRAURIG, LLP

A handwritten signature in dark ink, appearing to read "Ralph W. Selitto, Jr.", is written over the printed name.
